Missionary Church Position on Baptism & Communion:

We believe that baptism and the Lord's Supper were instituted by the Lord Jesus himself – not as a means of salvation, but as outward signs of the salvation we have by faith. They are the divinely mandated means by which believers publicly affirm their faith in Christ. Water baptism symbolizes the spiritual union that every believer has with Jesus in his death, burial, and resurrection. Therefore, we believe that the biblical pattern is baptism upon profession of faith in Christ, and furthermore, that it should be administered by immersion whenever possible.
